

## Additional Information for Sonoma County Forum Q&A

### Library Commission

The Library is governed by an **independent eleven-member Library Commission** as specified in the revised [Joint Powers Agreement](#). The city councils of Cloverdale, Cotati, Healdsburg, Petaluma, Rohnert Park, Santa Rosa, Sebastopol, Sonoma, and Windsor, along with the Sonoma County Board of Supervisors, each appoint a Library Commissioner. The City of Santa Rosa and the Sonoma County Board of Supervisors also jointly appoint one Library Commissioner. More information see <https://sonomalibrary.org/about/library-commission>

### 3 D Printing Services -*Print Your Dreams!*

Sonoma County Library has a MakerBot Replicator 2 which is used for educational classes on 3D design and is available to library patrons for 3D printing their own designs.

### 3D PRINTING SERVICES IN SONOMA COUNTY

Thanks to a generous donation from the Friends of the Santa Rosa Libraries, the Sonoma County Library purchased a **MakerBot Replicator 2** in 2014. Since then, the Library's MakerBot has strutted its stuff at events around the county--and now, it is available to patrons to print out their own designs!

The service launched at the Central Library in March, and now the MakerBot is traveling throughout the county to different library locations so that patrons across our communities will have the opportunity to see it in action and to use it to create. The schedule below for upcoming locations to host this service. <https://sonomalibrary.org/events/programs/3d-printing-services>

**Budget**-For more detailed information about the budget please contact Brett Lear at [blear@sonoma.lib.ca.us](mailto:blear@sonoma.lib.ca.us)
